

The appointment of Sibrand Poppema, the current President of the Board, ends on October 1st. The University is therefore looking for his successor. But how do they find a new board member? We explain the process in full.

# Application

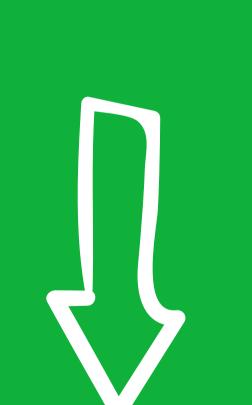

### Advisory committee

- Student & staff member from University Council mandatory
- Supervisory Board may add additional members

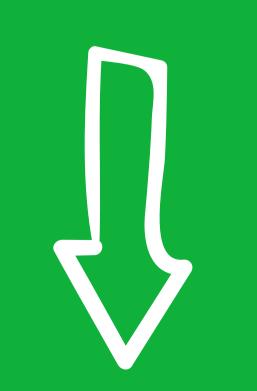

### Profile

- Overview of university, job details, and requirements
- University Council gives advice on the text

# Applications

- The committee receives the applications and invites candidates
- The committee conducts interviews and assessments

### Recommendation

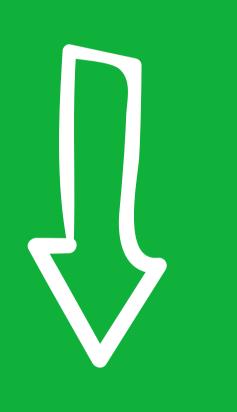

- The committee reports all outcomes to the Supervisory Board
- The committee recommends most fitting candidate for the position

# Appointment

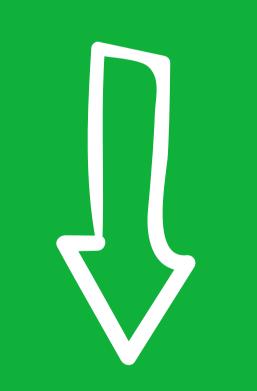

#### Nomination

The Supervisory Board nominates a candidate based on the advice of the application committee.

## University Council advice

Before a final appointment is made, the Supervisory Board asks the council for its final advice.

### Final appointment

Taking the advice of the council into account, the Supervisory Board officially appoints the new board member.
